

Good Day Brothers and Sisters of Local 340. As many of you know we have implemented new referral policies due to the COVID 19 pandemic. These new policies and procedures will continue as we navigate forward. If you are needing to sign the out of work list, you can do this through your profile on the website. Soon we will have a book sign form on our website for you to access as well. We will need the form and a separation notice emailed to dispatch@ibewlocal340.org.

If you are looking to take a job call you can bid on jobs through your profile. This will send an email to the dispatch email where I will register you for the daybook. You can also email dispatch@ibewlocal340.org with your name, card number, and that you are available for work. I will then register you to the daybook. Between 7am-7:30am you can call (916)927-4239 ext. 1007, and I will register you to the daybook. At 7:30am the

daybook closes, and I start making phone calls to offer job calls. I continue down the daybook until the daybook registries have been exhausted.

As of April 19th 2021, we will be implementing the strike system once again. If you pass on three strikable calls you will be removed from the out of work list. You will need to sign the out of work list by any method listed above. Any questions please call (916)927-4239 ext. 1007.
